

Medical Laboratory Technologist

Full Time, Part Time and Casual positions available

The North Shore Health Network provides rural healthcare for communities along the north shore of Lake Huron – including services in Blind River, Thessalon and Richards Landing. The North Shore Health Network sites have been serving their communities faithfully for many years providing emergency, acute, complex continuing care, long term care and community support services. North Shore Health Network recognizes the value of a diverse and skilled workforce and is committed to creating and maintaining an inclusive and collaborative workplace culture.

The Role:

- Demonstrated competency to collect, assay and report patient samples/results in a timely manner;
- Demonstrated competency in recognizing, troubleshooting, maintaining and communicating equipment/reagent related malfunctions and initiate remedial action;
- Ability to perform all samples analyses according to established protocols;
- Verify all procedures through the processing and assessments of quality control material;
- Properly process all referral specimens for dispatch;
- Input and release referral Laboratory results;
- Participate in QA activities

Qualifications:

- Graduate of a recognized Medical Laboratory Technology program;
- Current CMLTO registration;
- Currently liability insurance.

To Apply:

Interested applicants may submit resumes via e-mail to: humanresources@nshn.care

or by mail to: ATTN: Human Resources

P.O Box 970

Blind River, Ontario P0R 1B0

North Shore Health Network welcomes and encourages applications from people with diverse backgrounds as we strongly value inclusivity and diversity in our workplace. For those who require it, accommodations are available on request for candidates taking part in all aspects of the selection process.

Thank you for your interest in this position. Only candidates selected for an interview will be contacted.
