

Calian is seeking a Medical Laboratory Technologist for a part-time position at CFB Petawawa.

Calian is proud to continue a long-standing contractual relationship with the Department of National Defence (DND) to provide healthcare services to the Canadian Armed Forces. Through the Health Care Provider Contract, Calian employs health care professionals across Canada who are integral to supporting the health and wellbeing of our military members. As a Medical Laboratory Technologist with Calian, you will be working in the laboratory at the Canadian Forces Base in Petawawa, ON. In this role you will enjoy the benefits of working with an established team of professionals, whose goal is to support the health and wellbeing of the Canadian Armed Forces military service members.

In a typical day you may collect specimens from your patient, perform laboratory tests and administrative duties. Accuracy, teamwork and a patient-oriented approach will ensure your success in this role.

The Qualifications:

- Must be registered in good standing with the College of Medical Laboratory Technologists of Ontario (CMLTO)
- Minimum of 2 years experience
- CPR/AED

Type of Assignment:

Part-Time Contract

Calian values diversity and is an equal opportunity employer. Calian is committed to being responsive to the diverse needs of its members, employees, and others, by striving to prevent and remove systemic barriers. All qualified individuals are encouraged to apply and we welcome applications from women, visible minorities, Indigenous Peoples, persons with disabilities, persons of diverse sexual orientation, gender identity or expression and others who may contribute to diversity of our organization. We thank all applicants for their interest; however, only candidates under consideration will be contacted. We will provide accommodations during the recruitment process upon request.
